## **Tiger Industrial Rentals Opens New Facility to Serve South Texas Region**

**CORPUS CHRISTI, TEXAS** -- Tiger Industrial Rentals (“**Tiger**”), a rental and service company that serves the oil and gas, commercial and emergency response markets, has opened a new facility in Corpus Christi, Texas. The facility is located at *8283 Leopard Street, Corpus Christi, TX 78409*.

Wayne LeJune, South Texas Manager & Sales, will oversee operations for the Corpus Christi facility along with Lupe Caballero, South Texas Sales Representative.

“In an effort to continually grow our business, Tiger is evaluating our yard placements to more successfully provide affordable logistics equipment and transportation cost to our clients,” says Stephen Mouton, General Manager. “With the recent growth in commercial development, refineries and wind farms in South Texas, Tiger believes this yard will be a huge asset to our clients along the Southern Gulf Coast. This tactical move puts Tiger front and center when it comes to providing rental equipment for onshore projects in South Texas.”

### **About Tiger Industrial Rentals**

Tiger Industrial is a rental and service company that serves the onshore oil and gas, commercial and emergency response industries. Our reliable rental equipment and services reach across drilling, completions, production, pipeline, petrochemical, refining, construction and storm response. Our core rental assets include pumps, mats, power generation units, blast resistant buildings and HP cleaning equipment. At Tiger, our business philosophy is to provide reliable equipment within a safe and professional culture with a “Make it Happen” attitude. For more information, visit
