

# Do you need to clean up after Hurricane Harvey?

**Put your recovery plan into action with Tiger's rental equipment!**

***Make it happen.***

# Tiger has the solutions you need for water damage mitigation and remediation.

Water damage, bacterial growth and chemical spills can begin within hours after you experience a flood and can cause lasting health hazards. Significantly reduce the amount of damage caused by Hurricane Harvey with Tiger's rental equipment.

> For temporary operations, Tiger can provide base camps, blast resistant buildings, security, rig mats and more.

> To tackle the clean-up, Tiger has debris removal containers such as skips, baskets, roll-off containers, tilt hoppers, sewage storage tanks, containment berms and more.

> For cleaning jobs, Tiger has pumps, pressure washers, steam cleaners, vac units, hydroblasters and tiger soap.
