

# INDUSTRIAL RENTAL EQUIPMENT

Providing the most reliable rental equipment with a huge fleet of inventory for midstream construction & repairs.

# MIDSTREAM CATALOG

Reducing cost without  
compromising on safety.  
That's the mark of Tiger.

# MATS

Tiger has the matting solutions to make your project a success. Each mat has distinct individual advantages to fit your specific needs. Our combined fleet of mats encompasses solutions for integrity, pipeline, access roads, tank farms, refineries, high lines, train derailments, commercial construction, frac sand, completions sites, and many others.

At Tiger, we have an agnostic approach to mat rentals, we believe in all of them and have a mat for every application. Our highly skilled team can offer assistance in selecting the right mat for the right job, but if you have a preference for a specific mat, tell us what you want and we will get it to you - ASAP.
